

Serial No.: 10/028,076
Examiner: Stephan F. Willett

REMARKS/ARGUMENTS

Claims 1 and 3-9 remain in this application. Claims 20-94 have been withdrawn.

Claim 1 was rejected under 35 USC 112 because of the phrase "translation of said storage media". Claim 1 has been amended and no longer contains this phrase.

Claims 1-9 were rejected under 35 USC 102(e) as being anticipated by Chen et al. (US 6,625,590)

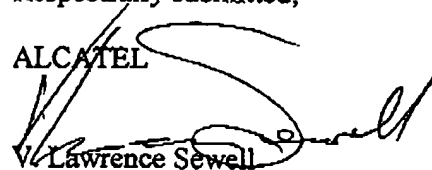

Independent claim 1 has been extensively amended to more clearly recite the invention. It is believed that claim 1 as amended, and claims 3-9 dependent thereon are neither anticipated nor obvious in view of Chen et al. Accordingly, it is requested that these claims be allowed.

It is believed that the foregoing amendment places the Application in condition for allowance. Should the Examiner have any further comments or suggestions, it is respectfully requested that the Examiner contact the undersigned to expeditiously resolve any outstanding issues.

Dated: 10/12/05

Respectfully submitted,

ALCATEL
